

Pre-Bid Conference Agenda

To: Attendees

Subject: *Little Walnut Creek Interceptor Sewer – Phase 2A*

Date: March 6, 2026

The agenda for the Pre-bid Conference scheduled for March 6, 2026 at 10 am at the Sunbury Municipal Building is as follows:

- Sign-In Sheet – This is a non-mandatory pre-bid meeting
- Introductions
- Introduction of the Project
 - This project consists of the removal of existing 36” sanitary sewer on Golf Course Rd and a single manhole, the construction of a proposed 36” sanitary sewer and associated service laterals. The project also includes an area of full pavement removal and replacement to allow for the sewer construction as it crosses Cheshire Rd. Prior to the start of this project, one existing utility pole will be relocated by the utility provider. This project will also require a detour during Stage 2 of the Maintenance of Traffic Plan as the sewer is constructed across Cheshire Rd.
 - After the completion of this project, the County will begin the construction of a roundabout at the intersection of Golf Course Rd and Cheshire Rd.
 - Addendum 1 will be issued after this meeting to include the answers to any questions asked during this meeting today, some additional technical specifications, and additional information regarding the project schedule.
- Question and Answers – Note all answers to questions asked here today will be provided by addendum.
